

Ergonomics

Zero Ground Level Scissor Table

Zero Ground Level Scissor Lifts are designed for use when powered fork trucks are not available or accessible in a work area. These tables permit floor level loading / unloading access by pallet jacks and other material handling equipment. The front approach edge of the platform is beveled to make loading / unloading of the table an easy operation.

BLUE GIANT®

Hydraulic Tilter

Hydraulic Tilters come with a standard 8" or 12" (203 x 305 mm) lowered height depending on the tilt angle, and a standard base and platform of 36" x 48" (914 x 1,219 mm) (maximum platform size available is 48" x 60"). They also have an easily accessible internal power unit, as well as lifetime lubricated bushings at all pivot points. Oversized and custom sizes are available as well.

BLUE GIANT®

Upenders

Blue Giant manufactures a complete line of Hydraulic Upenders to accommodate most industrial needs. Our 90° Upenders are ideal for the safe re-positioning of pallet loads and odd shaped objects such as rolls or coils. Conveyors and V-Cradles can be mounted to the platform to assist with pallet, crate, and roll or coil positioning.

BLUE GIANT®

Turn Tables

The Blue Giant Manual Turn Lift Table is designed to enhance operator ergonomics and productivity, by reducing the necessity to reach across, or walk around a load. These units are ideal in applications that require pallet loading or pallet unloading. 90° to 180° detents can be added to increase operator efficiency.

Platform Sizes:

- 24" x 24" (610 x 610 mm)
- 24" x 36" (610 x 914 mm)
- 36" x 36" (914 x 914 mm)
- 36" x 48" (914 x 1,219 mm)
- 48" x 48" (1,219 x 1,219 mm)
- 48" x 60" (1,219 x 1,524 mm)
- 60" x 60" (1,524 x 1,524 mm)

BLUE GIANT®

Self Levelling Pallet Positioner

Improve productivity with a self-leveling pallet positioner. Requires no worker activation or input, reduces pallet loading/unloading time by up to 40%!

- Load capacity: 4000 lb
- Base size: 34" x 49"
- Platform: 43" diameter rotating
- Lowered height: 10.5"
- Raised height: 30.5"

BLUE GIANT®

Vertical Paper/Poly Dispenser

EP-5960

A convenient, compact solution for dispensing!

- Sizes: 12", 24", 36", 48", 60"
- Use with multiple materials: kraft paper, poly tubing, fabric rolls, and more!
- Solid steel construction
- Cutting edge for kraft paper
- Locking casters sold separately
- Table-top mountable (attachment kit sold separately)
